REAMS

WHY PROFESSIONAL CONTRACTORS CHOOSE REAMS FIRST...AND YOU SHOULD TOO.

FIRST IN SERVICE & SUPPORT

Get everything you need, when you need it and then get back to work. When you order from REAMS, you'll get everything you need plus a friendly, responsive team who is committed to your success.

- Attentive, caring service – knowing you personally.

- Area's fastest and easiest direct-to-jobsite delivery.

- Expert technical assistance from veterans who "get it".

- Help with managing the details so you don't have to. Focus on growing your business rather than on paperwork.

- Partner with a supplier who keeps your business healthy, rewarding, and fun.

Our line-up of brands and categories is impressive and includes all of the leading names in the industry.
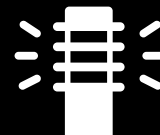

THE BROADEST SELECTION OF PROFESSIONAL PRODUCTS

- Irrigation – sprinklers, controls, valves, pipe, fittings, pumps, drip and more.

- Outdoor Living – lighting, water gardens, fountains, BBQ grills and more.

- Landscape – drainage, edging, artificial turf, and more.

ARE YOU TAKING ADVANTAGE OF THESE REAMS BENEFITS ?
Our customers enjoy these special services to increase their success

- **Direct to Jobsite Delivery:** We bring your bulk orders directly to you. Stay productive. Have the right products when and where you need them.

- **Large Project Support:** Job-based estimating, design, tracking and invoicing. Comprehensive bid support services and proven ability to deliver on your large project needs.

- **Mobile App:** Allows direct-from-jobsite ordering. Check pricing. Schedule pick-up or delivery.

- **On-line Training Portal:** With courses for both managers and employees, our portal helps you grow your knowledge and your productivity.

- **Demo Kits & Specialty Tools:** Get specialized materials to make the sale and complete the installation.

FXLuminaire®

NP ACCENT LIGHT INTEGRATED LED

Die-cast aluminum, available in
3LED, 6LED, 9LED and dim / color.

LED Projector placed on a swivel
mount, the light can be positioned
exactly to your demands.

C-LINE ANTIQUE BRASS

Mid-grade brass fixture line provides a
full selection of coordinating fixtures at
low price point with a premium appeal.

Products feature MR-16 or G4 lamp
bases that accept drop-in LED lamps
for ease of serviceability.
C-UL Uplight
C-DL Downlight
C-IN In-Ground
C-LL Ledge Light
C-PL Path Light
C-WW Wall Wash

HP-48 PAVER LIGHT (INTEGRATED LED)

Drive-over-rated HP-48 seamlessly
integrates with standard paver systems.

LF HARDSCAPE LIGHT

LED under-the-cap hardscape wall
light, available in 1LED and dim / color
LF 1 LED CUAB Antique brass

RS ACCENT LIGHT

Die-cast aluminum. Interchange lamps
to create custom effects
RSNLB2 No lamp
RSNLLSBZ No lamp, long shroud

LUXOR CONTROL CENTER

150 watt or 300 watt. Offers lighting
control with zoning, dimming, and
RGBW color creation capabilities,
plus optional Wi-Fi control using
Luxor® technology

LUXOR CUBE MODULE

With the Luxor CUBE, the Luxor
controller can now zone and dim other
brands of low voltage light fixtures. LCMLY

EX TRANSFORMER

150 watt economical, low-wattage
power and control option for LED
lighting projects EXISOM

DX TRANSFORMER

150 watt (DXISOM)or 300 watt (DX300M).
The only digital facepack-controlled
transformer with astronomical timing and
event-based programming pre-installed,
so there is no need for plug-in accessories
such as timers and photocells

Additional products and options are available. Contact your REAMS representative for more information.

KICHLER®

VARIABLE LUMEN OUTPUT ACCENT LIGHT (SMALL)

- Output can be switched with magnet tool from 2W to 3.5W or 5.0W, equivalent to 10, 20 and 35W halogen. Customize output in the field!
- AZT architectural bronze standard, other colors available

  16015 = Small 15° Spot
  16016 = Small 35° Flood
  16017 = Small 60° Wide Flood

VARIABLE LUMEN OUTPUT ACCENT LIGHT (LARGE)

- Output can be switched with magnet tool from 5.25W to 8W or 12W.

  16018 = Large 15° Spot
  16019 = Large 35° Flood
  16020 = Large 60° Wide Flood

INTEGRATED LED ACCENT LIGHT (GEN 1.5 STANDARD)

- Industry-leading integrated fixture is even more efficient and precise than previous versions.
- AZT architectural bronze standard, other colors available

  16150 = 10° Spot, 2.5W
  16151 = 35° Flood, 2.5W
  16152 = 60° Wide Flood, 2.5W
  16153 = 10° Spot, 3.5W
  16154 = 35° Flood, 3.5W
  16155 = 60° Wide Flood, 3.5W
  16156 = 10° Spot, 7W
  16157 = 35° Flood, 7W
  16158 = 60° Wide Flood, 7W

15803 FORGED PATH LIGHT

- 4 watt warm white
- AZT architectural

16120 PATH LIGHT

- AZT architectural bronze, 21" height x 6" diameter

15826AZT27R CENTER MOUNT PATH LIGHT

- AZT architectural bronze, 22.25" height x 6" diameter

15820 TRADITIONAL PATH LIGHT "LLENA"

- 4 watt, 3000K warm white
- AZT architectural bronze, 22.5" height x 6.25" diameter

SONANCE

OUTDOOR AUDIO SYSTEMS

Sonance offers complete outdoor audio systems specifically designed for landscape areas

- Perfectly even coverage and high quality sound in areas up to 5000 sq. ft.
- Satellite speakers designed to hide within the landscape.
- Below-ground subwoofer with canopy hidden under foliage.
- Runs off a standard 2-channel power amplifier or stereo receiver.
- Daisy-chain wiring configuration for simple installation with 14 gauge, 4 conductor wire.

A **SONANCE PATIO SERIES**

Sonance Patio Series 4.1 Speaker System includes 4 satellite speakers and one in-ground subwoofer all powered from a single Sonance DSP amplifier.

B **SONANCE GARDEN SERIES**

Sonance Garden Series borrows performance design elements from the industry-leading Sonance Landscape Series products and creates a smaller scale system ideal for outdoor areas up to 3,500 square feet. Sonance Garden Series is the perfect balance of performance and simplicity in an outdoor audio system.

C **ROCKS SPEAKERS**

Amazing performance in a rock form factor. Durable, corrosion-free and weather-resistant design can withstand exposure to UV, high heat, wind, rain, snow and splashing pool water. IPX4 rated. Two sizes and two colors available. Rock subwoofer for increased bass response.

D **MARINER OUTDOOR SPEAKERS**

Sonance's award-winning Mariner speakers feature an all-weather construction. With three sizes and three performance levels, there is a speaker to suit nearly any outdoor application and the most critical ear. Deliver pristine sound while remaining unaffected by the elements. Available in a white or black sealed polypropylene enclosure with a matching perforated aluminum grille.

Additional products and options are available. Contact your REAMS representative for more information.

PRIMEPATIO THE 12-VOLT PATIO LIGHTING SYSTEM

Prime Patio lighting enlivens outdoor decks, patios, shade structures, dining areas and more. Integrate Prime Patio lighting directly with your 12-volt landscape lighting system. We can supply cable, lamps and mounting kits for a complete, easy installation.

COMMERCIAL-GRADE PATIO LIGHTING WIRE

This heavy-duty wire offers E26 sockets spaced every 24" on center to create impressive lighting displays for events and facilities of all types. String across pergolas, shade structures or beams.

- Available in 48' and 100' lengths. (Length includes 1' lead and tail) end-to-end connectivity available. (Runs over 50' we recommend using a support cable)
- Suspended socket design with 4" drop. Includes an eyelet for attaching an optional cable wire to provide additional support. The drop lowers the socket to help provide better illumination.
- 16 gauge wire. UV resistant wire and sockets resists sunlight exposure.
- Wire rated to 1200 watts.
- Soft edges to sockets ensure weather-tight seal around thread-in lamps.

LED S14 CLASSIC "SIGN LAMP" SHAPE BULBS

Used in signs, marquees and in overhead string lights for decades, the shape of the Classic S14 sign lamp is timeless. Now you can get the look of those lamps in long-life, energy-efficient LED.

- 1.1 watt consumption per bulb (compares to 11 watt S14 incandescent), only 10% of the normal consumption!
- Bulbs can be used for new installations or retrofits of existing installations.
- Smooth, transparent appearance matches classic "Edison" lamps.
- Mix and match color for special themes, events and more.
- Lamps are available "warm white" color

Additional products and options are available. Contact your REAMS representative for more information.

PERMALOC ALUMINUM EDGING

Permaloc CleanLine is engineered to allow for effortless installation and creates a beautiful, clean edge in any landscape.

Designed with a unique, patented stake-less connection system that snaps down to permanently interlock sections - eliminating horizontal separation or possible weak points. Includes heavy-duty 12" interlocking aluminum stakes.

10300 Permaloc 1/8" thick x 4" height x 16-foot section aluminum finish

10303 Permaloc 1/8" thick x 4" height x 16-foot section black finish

VALLEY VIEW PLASTIC LAWN EDGING

Plastic lawn edging made of top quality premium resin, UV resistant. Heavy duty top-bead for a clean edge while containing mulch and rocks.

AD-20 Ace of Diamond Edging 5" with 4 metal stakes and connector

DD-20 Dandy Diamond Edging 5" with 4 metal stakes and connector

PB4-20B Poly Bendable Board Edging 1" wide x 3.5" height, 20' length

DIAMOND LOK PAVER EDGING

- L shaped paver restraint
- Resistant to weather, UV Protected
- Heavy duty poly anchor stakes

DPE-8 Valleyview 8' Diamond Paver Restraint Edging 8' length, 10 strips per bundle

MASTER GARDNER PROWEAVE 4.5 OZ HEAVY DUTY LANDSCAPE FABRIC- 25 YEAR LIFE

Keeps weeds out– small openings in fabric lets air & water in. No chemical to harm the soil, pets and environment. Allows proper air exchange– oxygen can enter soil, which is necessary for the absorption of water and nutrients.

FCMST-D75 Box of 75 pins for securing fabric

FCMST-61000 Box of 1000 pins

MARKING PAINT AND MARKING FLAGS

Easily mark your jobsites. A variety of colors and options available

Additional products and options are available. Contact your REAMS representative for more information.

KASCO MARINE

VFX SERIES

- The VFX floating aerating fountain is great for small to medium sized ponds. The classic Kasco "V" fountain pattern gives this model a beautiful aesthetically pleasing display. It is designed for maximum oxygenation to improve the health of your pond or lake efficiently.

- Highest efficiency design for low power consumption versus competing units. Reduces operating costs over the entire life of the unit.

J SERIES

- Decorative fountains provide the power needed to adequately aerate larger ponds and provide eye-catching decorative displays.

- Each 3.1JF & 3.3JF is supplied with 5 different interchangeable nozzles, providing you with the versatility of 6 different patterns for displays of up to 24 feet in height or 45 feet in diameter. You can easily change nozzles to fit the specific pond dimensions, wind conditions and the desired aesthetic effect.

LED LIGHT KIT

- Add optional LED lighting for beautiful night effects. Low energy cost. Choice of colored lenses.

Additional products and options are available. Contact your REAMS representative for more information.

EASYTURF
SYNTHETIC LAWNS & PUTTING GREENS

ARTIFICIAL TURF IN THE MIDWEST?
ABSOLUTELY! HERE ARE FOUR PLACES IT SELLS WELL

PLAYGROUNDS
There's a better way to make play surfaces easy to maintain, safe, clean and fun! EasyTurf products provide a surface that's safer, cleaner, and more comfortable than natural sod or any other synthetic grass on the market. No ugly wear spots or constant maintenance. EasyTurf has passed fall height requirement tests for up to 12 feet. This playground system, including play pad, is extremely durable yet non-abrasive, promoting longevity with a comfortable playing surface.

DOG RUNS
EasyTurf artificial grass is the perfect dog friendly backyard landscaping addition and play surface for your customers' dogs. Evolved technology allows the artificial grass to be soft against paws and plush enough to roll around in for hours. Plus, they will love how simple it is to easily pick up and wash away pet drop-pings due to EasyTurf's patented drainage system. Pet friendly and pet owner friendly; what's not to love about that?

WEAR SPOTS
High traffic areas that constantly turn to mud and look ugly? Convert them to artificial grass for a clean, neat appearance year-round. Common applications include retail entryways, park-ing lot islands and outdoor event spaces (amphitheaters and performance areas). EasyTurf is durable enough to withstand heavy foot and paw traffic, making it the perfect choice for thriving communities.

ROOF GARDENS & BUILDING COURTYARDS
Create inviting outdoor spaces that don't require regular mowing. Now balconies, roofs and other spaces can be enjoyable recre-ation areas that are an additional amenity to tenants and guests.

Ready to get started? Ask the Automatic team for options for your need. We are one of the nation's largest EasyTurf distributors.

We provide complete project support including quoting, specification assistance, installation training / coaching and more.

Additional products and options are available. Contact your REAMS representative for more information.

WARM UP TO THE OPPORTUNITIES WITH OUTDOOR FIRE FEATURES
EASY TO SELL, EASY TO INSTALL, HIGHLY PROFITABLE

Set your company apart by offering the latest trends in outdoor fire features. FireGear outdoor fireplaces and fire rings are what your customers want and need!

FireGear offers fire pit accessories, including plug and play drop-in fire pit burner systems that work with your landscape projects. Their fire pit kits feature 304 Stainless Steel burner pans and are offered both for natural gas and easy to covert kits for liquid propane. Multiple choices of ignition systems are offered.

Offer this important option on your backyard projects!

BURNING SPUR
Firegear Stainless Steel Burning Spur Featuring 304 stainless steel construction, this burner has been engineered to withstand the rigors of frequent outdoor use. The "burning spur" design offers a realistic flame appearance for a satisfying alternative to a traditional wood campfire. Includes Firegear's MT match throw ignition system. High capacity orifices for a higher BTU rating. Includes burner, orifice, fittings, flex line, key valve, flange, and key. For use with natural gas.)

DBS-22K 22" size

DBS-31K 31" size

DBS-36K 36" size

LINE OF FIRE
LOF-36LHTMSI Firegear 36-Inch Match Light Gas Fire Pit Burner Kit with Linear Trough Pan provides a premium burner system for an eye-catching fire feature. The unique "Line of Fire" linear burner design generates a full, natural flame in a rectangular fire pit. 304 Stainless Steel construction. For reliability, this system features Firegear's MT match throw ignition. Use with natural gas.

43022 SIGNATURE SERIES™ 1000 POND SKIMMER

8" weir, Ideal for use in ponds up to 1000 square feet.

29319 SIGNATURE SERIES™ BIOFALLS® FILTER 6000

28" width, Filters up to 6000 gallons. Reversal waterfall lip. Expanded surface area filter mats. Brass hardware resists corrosion. 2" bulkhead

Additional products and options are available. Contact your REAMS representative for more information.

99774 BIOFALLS® 1000 FILTER

Can filter ponds up to 1,000 gallon

09020 SIGNATURE BIO-FALLS

Has a 21.5" spillway, dual bulkhead ports, removable rock tray, and filter mats.

49000 PONDLESS WATERFALL

Used as a pump vault for pondless waterfalls. Add 49001 for extension in height.

77000 WATERFALL SPILLWAY

Used to create a smooth waterfall for a pondless waterfall or when adding an additional stream. It will handle up to 7500 gph flow.

95012 ION GEN

Used to control algae in ponds and streams through release of copper ions. Minimizes the need for chemicals.

98134 AQUABASIN

Used for water storage and pump storage when building fountains. 75 gallon capacity. Measures 45" x 45" x 14".

45009 AQUASURGEPRO 2000 to 4000

Adjustable flow pump and operates best at 5 to 11 feet of head and will yield 2000-4000 gph. Flow adjusts by remote control.

45010 AQUASURGEPRO 4000-8000

Adjustable flow pump and operates best at 8 to 16 feet of head and will yield 4000-8000 gph. Flow adjusts by remote control.

83013 BACKYARD WATERFALL LANDSCAPE FOUNTAIN KIT

Waterfall Spillway with AquaBasin® 45, AquaSurge® 2000 Water Pump, and everything else you need

29491 AQUABLOX® SMALL D-RAINTANK® MODULAR WATER SYSTEM, 17 GALLONS CAPACITY

29492 AQUABLOX® LARGE D-RAINTANK® MODULAR WATER SYSTEM, 32 GALLONS CAPACITY

Lightweight structures that provides water storage. Over 3 times more water storage capacity than gravel.

AQUASURGE® PUMPS

Small compact size makes the AquaSurge® the perfect pump for pond skimmers.

91017 AQUASURGE 2000

For 2000 gallon pond

91018 AQUASURGE 3000

For 3000 gallon pond

91019 AQUASURGE 4000

For 4000 gallon pond

91020 AQUASURGE 5000

For 5000 gallon pond

Additional products and options are available. Contact your REAMS representative for more information.

BENEFICIAL BACTERIA TREATMENT

Aquascape Beneficial Bacteria contains 8 pure strains of concentrated beneficial bacteria, including PSB bacteria and enzymes. This combination of natural cleaners helps to maintain a strong biological balance in your pond.

98887 Beneficial Bacteria - 16 oz

98885 Beneficial Bacteria - 1 gal

BOXED LINER

29607 Aquascape 10' x 10' boxed 45 mil liner
29612 10' x 20' boxed liner
85001 12' x 15' boxed liner
85003 15' x 20' boxed liner

*other sizes available please ask

Additional products and options are available. Contact your REAMS representative for more information.

BENEFICIAL BACTERIA CONCENTRATE

Because ornamental water gardens are enclosed ecosystems, sometimes factors like fish load, uneaten fish food, leaves, sludge and unwanted debris may disrupt the balance. Aquascape Beneficial Bacteria maintains a strong biological balance; providing clean, clear and healthy water conditions.

98948 Beneficial Bacteria - 8.8 oz / 250 g

98950 Beneficial Bacteria - 7 lb / 3.2 kg

COLD WATER BENEFICIAL BACTERIA

7 pure strains of concentrated beneficial bacteria that go to work quickly cleaning and balancing your ornamental pond, works at temperatures below 50F or 10C.

98893 Cold Water Beneficial Bacteria (Liquid) - 16 oz

96021 Cold Water Beneficial Bacteria (Liquid) - 1 gal

96014 POND STARTER BACTERIA

Aquascape Pond Starter Bacteria quickly establishes the biological ecosystem for spring start-up and for new ponds. Safe for fish, plants and animals.

SAB STREAM AND POND CLEANER

Powerful combination of strong natural cleaners helps to break down organic debris and maintain a biological balance while the phosphate binder prevents water quality issues. SAB will also help to reduce ammonia and nitrite.

98899 SAB Stream & Pond Cleaner - 8.8 oz. / 250 g

98896 SAB Stream & Pond Cleaner - 7 lb. / 3.2 kg

ALGAECIDE

No more algae growth! Controls string algae. Clears green water. Can be used on ponds with fish and plants.

96023 Algaecide - 16 oz

96026 Algaecide - 1 Gal

ECOBLAST

EcoBlast™ is the fastest way to eliminate unsightly debris from waterfalls, streams and rocks. Simply sprinkle EcoBlast™ onto existing debris and watch it disappear. EcoBlast™ works best when the product is applied directly on existing debris.

29312 EcoBlast™ 38.4 oz

29313 EcoBlast™ 7 lb

98877 AQUASCAPE POND DETOXIFIER

Makes tap water into pond water. 16 oz.

Additional products and options are available. Contact your REAMS representative for more information.

39000 POND HEATER / DE-ICER

300 watt, for keeping a small hole opening the ice during cold winter months, and insures proper gas exchange helping keep fish alive during the winter.

POND NETTING – LEAF PREVENTION

98000 Protective Pond Netting - 7 Ft x 10 Ft

98001 Protective Pond Netting - 14 Ft x 20 Ft

98002 Protective Pond Netting - 28 Ft x 30 Ft

POND LINER

Summerset® PROFESSIONAL GRILLS

A

B

C

D

E

F

A SIZZLER BUILT-IN GRILLS

A premium product at an unbeatable price. Constructed in all #443 stainless steel and designed with careful precision to ensure optimal airflow and even heating, this grill gives its higher-priced competitors a run for their money in both durability and grilling performance.   Standard 32" width, also available in 26" and 40".

B ALTURI BUILT-IN GRILLS

The Alturi™ Series can be summed up in one word – luxury. Designed with elegance, fueled with raw power and loaded with every feature, this grill sets the bar for luxury outdoor cooking. Details like the angle-mounted interior lights, rotisserie storage and spring-assisted hood provide ultimate convenience, while its solid #304 stainless steel construction and high BTU Red Brass burners – the most durable in the market – guarantee lasting performance. When it comes to performance, quality and style, Alturi truly stands alone.

C AMERICAN MUSCLE GRILLS

Charcoal, lump charcoal, wood chunks, natural gas, liquid propane, pellet fuels – all of it! With the American Muscle Grill, get the flexibility of a multi-fuel chameleon with the raw power of a champion that outclasses any of its single-fuel challengers. With its creative Multi-Fuel Tray System, grilling with any combination of solid fuels places innovation in the chef's hands. Offering a robust 110,000 BTUs of grilling horsepower, take advantage of the convenience of gas or simply use it to ignite those solid fuels in seconds. The AMG is the top performer in any class, the only question left is how big: 36 or 54 inches?

Not pictured: outdoor refrigerators also available.

CREATE BRILLIANT AND DRAMATIC SEASONAL DISPLAYS WHILE SAVING ENERGY AND THE ENVIRONMENT WITH RUGGED LED LIGHTS

LED FEATURES AND BENEFITS AT A GLANCE:

- **Brilliant light output with jewel-like colors:** Provides a dazzling display that draws crowds and wins accolades.

- **Environmentally-friendly, low energy consumption:** Reduces operating costs of seasonal displays, allows the use of more lights and displays to create larger impact.

- **Rugged design:** Don't confuse our LEDs with inexpensive knock-offs found in discount stores.

- **Eligible for rebates:** Many local power utilities offer attractive rebates to users that upgrade to LED technology. Check for money-saving rebates in your area.

- **Safety:** Cool-touch lamps (unlike traditional holiday designs), tamper resistant and shock resistant end-to-end connectors.

- **Longevity:** Can be used multiple seasons.
